TransformerCase T16 Pro - USB-A

Charge & Sync! For up to 16 devices - Max. 11"

Article number / SKU: TC16E3-B

**2 smooth-running wheels
(built in) with bottom
slide-system**

**Trolley system; extendable
and replaceable handle with
built-in fuse**

**Intelligent charging hub with
automatic charging cut-off
(no timer necessary)**

**-> works as overheating and
overcharging protection**

What does „Charge & Sync“ mean?

**Connect the master USB Sync-Port
on our product to a MacOS-based
operating system and open the
Apple Configurator on this
computer.**

**All Apple iPads connected to our
product are now displayed there.
Now you can manage & configure
the displayed iPads simultaneously.**
